

Dear People of Saint Michael's:

It is with great hope and anticipation that we prepare to celebrate the Incarnation of our Lord this Christmas Eve, IN-PERSON! How strange, uncertain, and challenging these times have been, and how vital is our gathering together to mark and inwardly digest the Gospel message that Jesus Christ has come, and is coming.

As is our custom, we "green" and decorate the church for Advent, adding poinsettias for our Christmas Celebration, remembering that Life and Light has come into the world in Christ, so that we might live and become the light of Christ in a world darkened by pain, suffering and evil. These tangible signs of life in our church building draw our attention toward the source of life, ushered into the world in our Savior, in whom we live and move and have our being.

You are invited to make an offering in Memory of or Thanksgiving for those whom God has used to bring light and life to you along our earthy pilgrimage. To do so, please fill out the form below, cut it off, and mail it along with your donation on or before **Monday, December 20**. This will ensure that we are able to have your thanksgivings and memorials printed in the Christmas Bulletins. (You may also do so online by going to www.stmikesgeneseo.org/christmas).

Faithfully,

Fr. Daniel
Rector
